

BREWSTER TECHNICAL COLLEGE

Practical Nursing

2222 North Tampa Street
Tampa, FL 33602
www.brewster.edu

PROGRAM DESCRIPTION

The Practical Nurse student learns to provide daily care, administer treatments, perform medical procedures and administer medications to patients in various settings. Interested individuals should be dependable, compassionate, enjoy, conscientious and honest. This is a rigorous program.

Practical Nursing graduates apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). In addition, there is an agreement in place with Hillsborough Community College (HCC) to award transfer 10 credit hours for their RN program (Nursing R.N. AS degree).

Students participate in clinical hours at area healthcare facilities and times may vary from morning to afternoon and semester to semester.

Program content includes theoretical instruction and clinical experience in the following areas:

- Medical, surgical, obstetric, pediatric and geriatric nursing
- Acute care, long term care and community settings
- Vocational role and function in nursing
- Personal, family and health concepts
- Nutrition
- Human growth & development over the life span
- Body structure and function
- Interpersonal and relationship skills
- Mental health concepts
